### ***Testimonial:***

### **[www.BartBrentjes-Challenge.com](http://www.BartBrentjes-Challenge.com) 2015 NL - Kampioenschap Mountain-Bike**

Als gepassioneerde wielrenner en mountainbiker deed ik mee aan de Bart Brentjes Challenge 2015.

Ik koos voor de marathon-afstand van 110 km.

Om dit tot een succesvol einde te brengen, kwam ik in contact met dhr. Balliël van [www.aloesport.info](http://www.aloesport.info)

Hij gaf mij deskundig voedingsadvies over het gebruik van de Forever Living Products.

Hoewel deze voeding voor mij in eerste instantie niet bekend was, gaf het mij een positieve indruk en de werking ervan.

Toegespitst op mijn mountainbike wedstrijd nam ik voor de start

**Forever Active Boost Drink** tegen vermoeidheid.

Tijdens de rit de **AGRI+** voor aanvulling van zuren en vitamines gemixt met sportdrank. En de **Forever PRO X2** proteïne repen chocolade en kaneel. Deze repen voorkomen je honger gevoel. Nadat ik de marathon had gereden in 5 uur 25 nam ik nog een FAB blikje ter restitutie.

Tijdens de wedstrijd en ook later had ik voor het eerst generlei krampen of spierproblemen.

Ik kan met oplecht mededelen dat de volgende toertocht of wedstrijd de Forever Living Products weer ga nuttigen.

Met sportieve groet, Kenny Hendrix.

As a passionate cyclist and mountain biker I took part in the Bart Brentjens Challenge 2015. I chose the marathon distance of 110 km. To make this race a success, I got in touch with mr. Balliël of [www.aloesport.info](http://www.aloesport.info) .

As an expert, he gave me a personal nutritional advice on the use of the Forever Living Products. Although these products at first place were unknown, it gave me a positive impression and working. Focused on my mountain bike-race, I took before the start **Forever Active Boost Drink** against fatigue. During the ride the **AGRI +** for addition of acids and vitamins mixed with sports drink. And **Forever Pro X2** protein bars of chocolate and cinnamon. These bars prevent your hunger. After I had ridden the marathon in 5:25 hrs, I took another FAB can for restitution. During the race and later on, I for the first time suffered not of cramps or muscle problems.

I can say with sincerity that the next tour or contest the Forever Living Products go eat again.

With sportive greetings, Kenny Hendrix
